Too many candidates—couldn't all be elected.

SPRINGVILLE NEWS.

Guy Rencher, the Forest Ranger at Nutrioso has received his new Studebaker Roadster and is "burning up" the roads around this part of the country. No damage to the landscape has as yet been reported.

The Presbyterian Church of Springerville is to be congratulated upon the beautiful services held last Sunday, both morning and evening. Rev. Miller delivered two strong sermons that will long be remembered. At the morning service, Mrs. Herms rendered a beautiful solo and at the evening service, Mr. Dave Howland sang "The End of a Perfect Day" which was without a doubt the best ever heard in Springerville. Large crowds attended both services and it is hoped that Rev. Miller will be able to give us some more. The quartet should be held by all means as they, without a doubt, will attract the people and after hearing Rev. Miller will want to come back.

Rev. Miller has been invited to go down to St. Johns to hold a special service, in the near future and the quartet has been invited also.

Springerville folks are glad to see the County Treasurer and County Sheriff re-elected. Congratulations.

G. C. Overson is busy these days planting fall wheat.

Monday night the republican candidates gave a big free dance.

MORMON CONFERENCE.

Commencing last Friday afternoon the quarterly stake conference of the L. D. S. Church convened and remained in session until Sunday evening.

There were present, sent by the church authorities, President Charles Callis of the Southern States mission, President Andrew Kimball, Elder Oscar Kirkum and Mrs. Brixton.

President Callis was a general visitor while President Kimball was here in the interest of prohibition. Oscar Kirkum and Mrs. Brixton were here in the interest of the Y. L. M. I. A. work.

The conference was one of the best held for a number of years and from the reports given the wards throughout the stake and the stake as a whole is in a very prosperous condition, both spiritually as well as financially.

The visiting brethren and sister gave some very interesting talks and advice along different lines which if followed will prove a benefit to all.

There were quite a number present from the surrounding wards, who expressed themselves as being well paid for the time spent in making the trip and the time spent in St. Johns. Some few changes and ordinations in the priesthood were attended to.

It seems as though some one is making a practice of borrowing (?) automobile tires, gasoline, oil, etc., and forget to return the same—wonder who it was that said "the Lord helps those that help themselves".

The HERALD-NEWS force, the editor and the "devil" have been taking in the election this week and are not entirely over it yet—hence we are a little late in going to press.

Word reached here to-day of the killing of three men and a woman at Magdalena, N. M. on election day. No particulars have been received.

The articles of incorporation of the Lyman Water Company will be found in another column of the HERALD-NEWS.

A. & B. Schuster Co. will move their stock of goods into their new store building next week.

Otto Kempe of Concho, son of the late Joseph C. Kempe, was a visitor here this week.

One free-for-all fist-fight on election day—more booze.

The mail-carrier reports a light fall of snow at Eagar.

MOTORCYCLE RACE.

This morning at 7:30 the main street or road leading out of town to Holbrook was lined with people. The cause of the gathering was because of the motor cycle race which was slated to commence at Springerville and end at Phoenix an opening event for the Arizona State Fair.

There were nine contestants in the race. The first one left Springerville at 8:00 A. M. and each one of the others left two minutes apart. When they reached St. Johns 1 and 2 were still holding their places and No 8 came in third, then came 4, 6, 7, and 9 No. 5 met with a mishap just about 4 miles out of Springerville where he ran into a large pile of rock and jammed his machine up badly and bruising the rider so that he had to be taken back to Springerville.

The first prize is \$1000.

Apache County, under the able supervision of Mrs. Joseph Udall of Eagar, will be well represented at the State Fair this year. Many exhibits have already been sent in and others are following daily, and we are of the opinion that Apache County will carry away a goodly portion of the blue ribbons.

Henry L. Marble one of Concho's live wires was here this week shaking hands with many of his old friends. He has just recently returned from the Gila Valley where he spent a few months.

The report reached here last evening that No. 8 (Baker) was leading in the motor-cycle race by three minutes upon arriving at Flagstaff. The time from Springerville to Flagstaff was five hours.

Judge George H. Crosby, Jr., and mother, Miss Ethel Greer, Oscar Kirkum, and Miss Brixton left Tuesday for Ramah and Bluewater, New Mexico, in the interest of the Stake M. I. A.

John and Ed Rothlisberger of Vernon were in town this week. John came to make final proof on his beautiful homestead at Vernon and Ed came as a witness for him.

Mr. Lilyod Greer and his sisters Nellie and Floy were here visiting among relatives this week. They will return to Winsor valley tomorrow.

Henry L. Butler, of Eagar is a visitor at the county seat this week.

Mrs. Effie Nichols and son is visiting with her parents Mr. and Mrs. Isaac Thomas.
